

U.S. Patent Application No. 09/901,315

Exhibit A

Resume of Qiuchen Peter Zhang

Education in the Field of the Invention

University of Science and Technology, Beijing, China,  
B.S. in Materials Science and Engineering - 1988

Georgia Institute of Technology, Atlanta, Georgia, U.S.A.  
M.S. in Polymers - 1994

Industrial Experience in the Field of the Invention

1994 – date: various positions relating to the design and development of PET-based containers for the packaging of beverage, juice, food and alcohol products, both cold-filled and hot-filled products.
